Profile

Cao Yulong holds a Master's degree in International Commercial Law from Renmin University of China. With nearly 10 years of practice, he has specialized in insurance, construction engineering, finance, loan guarantee and other fields, and has accumulated extensive experience in issues related to litigation and arbitration, including preservation and enforcement. During his practice, Mr. Cao has provided legal services to hundreds of clients, such as large state-owned enterprises, leading private enterprises, individuals, and multinational companies, helping to recover or prevent losses totaling hundreds of millions of yuan. Driven by his passion for dispute resolution, he has consistently worked on the front lines of case handling, and his hands-on approach and meticulous professionalism have earned him high praise from clients.
